## We have Some New Faces in the Library!

Two new librarians joined the Warner Library staff over the summer. Please stop by the library and say hello when you get a chance!

*Kathy and her cat, Paisley*

Welcome to our new Access Services librarian, **Kathy Hecht!**

In addition to her library qualification, Kathy has a clergy background, having served a Presbyterian (USA) congregation as a pastor and in long term care as a chaplain. Her specialty areas in research and reference include theological studies, pastoral ministry and the humanities. Her library experience includes an internship at Haverford College.

She will be supervising the library student workers, course reserves, providing reference services and interlibrary loan.

**Anne Schwelm** began as Director in June. Before joining Eastern, Anne was Library Director at Cabrini University where she also served as curator of the St. Frances Cabrini collection.

Having received an MLS from the University of Pittsburgh and an MS in Org. Leadership from Cabrini, Anne taught as an adjunct in Cabrini's religious studies department and in Drexel's grad program in library & information science.

A Pittsburgh native, Anne still roots for the Steelers but is a big Phillies fan. Feeling *'so very blessed to be here'* she looks forward to contributing to Eastern's vibrant academic community.

### New in the library is the Library of Things!

The display board located on the main level near the elevator has pictures of the items available to use. Patrons can just take the picture off the peg board to the circulation desk and check out the thing they need.

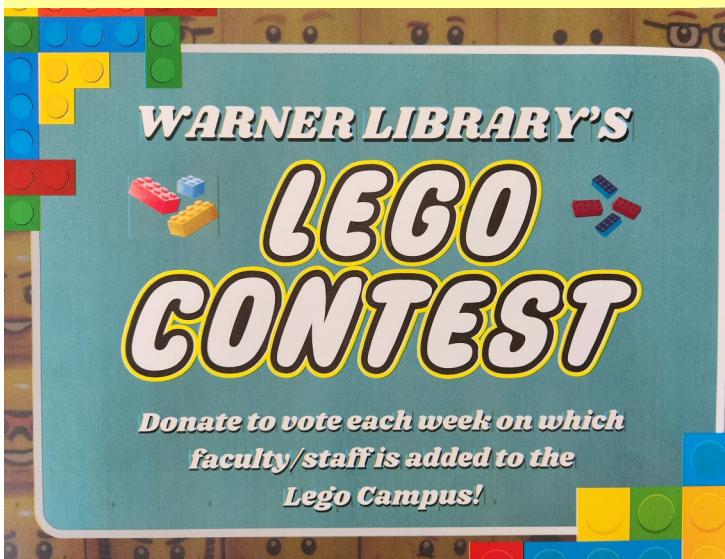

Current items on the board include: dry erase markers and an eraser, graphing calculators, headphones, umbrella, power strip, webcam, and USB drives. Headphones and dry erase items are for in library use only, the others have a 24-hour check out period.

If there are other things we should add to our Library of Things, please let us know.

## WE'VE RECREATED THE CAMPUS MAP OUT OF LEGOS!

Check out the display case at the entrance of the library to find your favorite location and vote for who should be immortalized in Lego form!

Your vote donations go to the library's fund for the mini golf event later this October—stay tuned for more details! :)

# Some changes have come to the library...

Most of the collection is on the upper level. Young Adult and children's remain on the main level. Literature is on the ground floor.

Faculty Scholarship and Mazie Hall books are now available at the top of the stairs on the upper level.

Academic Resource Center (ARC) moved to the third floor of the library. Includes the Writing Center in Room 300 (left) and the Testing Center in Room 327 (right).

**Important Notice:**  
The One Button Studio is closed for this semester.  
*Stay tuned for more information...*

# More places to study at the library...

New study spaces have been created throughout the library! The Mazie Hall Space (top left), the Edison Space (above), and the Sports Corner (left) are available to be reserved. Rooms #121 & #328-331 are also available for reserve.

There are also many new “nooks” that can be found across all the floors, some including whiteboards. Find your new favorite spot to study today!
