A newsletter of Warner Memorial Library

Summer 2021

A sincere thank you to Eastern students!

For your perseverance during this past academic year! You did your due diligence and we are moving forward at being free from Covid! We know that the library has not been the best location on campus to be, due to all the CDC restrictions (along with EU campus policies) we needed to follow. We are looking ahead to a great Fall semester with those of you who are returning.

...AND CONGRATULATIONS TO ALL YOU GRADUATING!! WELL DONE!

From the staff at Warner Memorial Library!
